Dear Dr. Garcia,

Thank you for taking the time to talk with me on the phone. We want to invite you to participate with us in a public education teach-in about Peace in the Persian Gulf. We have come together to urge <u>patience</u> in this dangerous time. We do <u>not</u> want to lose our American soldiers for anything less than a true challenge to our freedoms. This is <u>not</u> that challenge.

Please, Dr. Garcia, <u>please</u> help us to spread the word that it is <u>not</u> too late for any of us to do all we possibly can to prevent a war. If you would be interested in participating more with this, <u>please</u> call me. Thank you for all your help and support!

Warmly,

Leslie Jarmon
