

Mexquing, Coch. Mex. 19th of May 1949

Dear Dr. Garcia:

Last Thurs. at 2:00 P.M. I went to see Col. Chas. M. Dickson; retired attorney; to ask him, once more, what I could do to get my brother out. I talked to him about you & Mr. Duran, he says he would like to correspond with both of you. His address is 1207 Natl. Bank of Com. Bldg. D.C., D.C.. He wants to know if you made any written statement to Mr. Duran. That he does not want to cross your path or do something which you have done, that he would appreciate copies of mail written & received from Washington.

I have been here since last Fri. my aunt brought me to Eagle Pass then my cousin & her husband brought me to Mexquing the same day. This publita is beautiful but I better get back to D.C. & work. My address is P.O. Box #1215 San Antonio - Tel #12-7667 525 Main Ave. Apt. #5 second floor. I plan to be back by the middle of next week. I will write as soon as I get back.

Sincerely, M. de Jesus
