Dear Dr. Garcia:

As you probably know already, Governor Stevenson will be in San Antonio October 17th for a major speech in front of the Alamo. However before he presents this speech, he will stop and make a ten minute talk at Milan square about 11 A.M. Milan square is located in the Latine section of the city. The significance of this fine gesture is obvious. It is the first time that a candidate of national importance has taken the time to make a special appeal to the Latine voter. Naturally we want to have a large crowd to greet him. Please try to be here. Tell all your friends to be here.

Hoping to see you Saturday at 11 A.M. on Milan Square,
I beg to remain,

Very truly yours,

Albert A. Pena Jr.,
Vice Pres. G.I. Forum
San Antonio Chapter.
