THE ATTORNEY GENERAL WASHINGTON

July 28, 1961

Dear Dr. Garcia:

I hope you will convey my sincere good wishes to the officers and membership of the American G. I. Forum on the occasion of its Seventh National Convention.

It has been my privilege to know many members of your fine organization in the past and I have always been impressed with their dedication and spirit. The loyalty and patriotism of Spanish-speaking Americans for their country is a source of inspiration for all our citizens. Organizations such as the American G. I. Forum make a major contribution to our society.

I am happy to have this opportunity to send my regards.

With every good wish.

Sincerely,

Robert E. Kennedy

Dr. Hector P. Garcia
