MR. OSCAR WYATT
Coastal Gas Producing Company
Houston, Texas

Dear Mr. Wyatt:

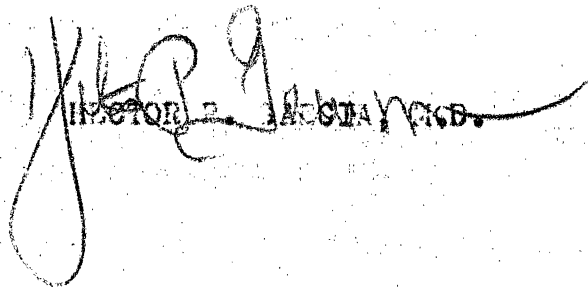

I was hoping that by now you would have returned to the place where we need you. However, nevertheless, we know that Houston has needs of your talents and ability.

A few days ago I called Mr. Arnold at the Petroleum Building here in Corpus Christi about a friend of mine who needs a job. He is Herbert Hernandez, age 29, and who is a very good friend of mine and also an excellent worker.

Herbert went over to talk to Mr. Arnold yesterday and was referred, in turn, to Mr. Fred Morgan.

I was hoping that you will be able to look into the situation and help me get him a job with your company. Please see what you can do and give me a ring whenever you come to Corpus Christi.

Respectfully yours,

DIRECTOR, ACCIDENTS
