My dear Dr. Garcia:

I wish to express to you my deep gratitude for your outstanding contribution to the Navy's Area Conference on Equal Employment Opportunity held at New Orleans on 28 October 1965.

Possibly, we of the Corpus Christi contingent can be accused of partisan feeling, but we do believe most sincerely that your talk was the outstanding event of the conference. Apart from your scheduled speech, your presence throughout the conference and participation and involvement in it also contributed significantly. I feel that we have moved another step forward toward accomplishment of our objectives of affirmative action. The Chief of the Bureau of Naval Weapons, Rear Admiral Allen M. Shinn, and others expressed essentially the same thoughts to me.

Thank you very kindly for your letter of 2 November 1965. I have taken the liberty of sending a copy of your letter to Vice Admiral Donaho, Rear Admiral Shinn and Rear Admiral Lyman and have recommended that your letter be included in the permanent record of the conference.

Sincerely,

F. L. DE LORENZO
Captain, USN
Commanding Officer
