Our Beloved and Dearest Dr. Garcia:

May we take the opportunity to sincerely congratulate you on your appointment as one of the members of the United States delegation to the United Nations.

We know you are very proud of this appointment, and rightly so, as much as we are here in our community of Taft. We are very confident that you will do great things for our country and your fellowmen.

We sincerely wish you the best of luck on this new opportunity to serve our country. May God bless you and keep you working for the good of our people. There is no way possible that we could repay you for all the good deeds you have rendered us, but in our own simple way, may we say thank you from the bottom of our hearts, and believe us, we mean it with the greatest of emphasis, as you probably must know, because we admire you and respect you for what you are to us. Feel assured that you embark on this new assignment with all our good wishes, we are very proud of you.

Sincerely Yours,

Basilio H. Moreno
