## MEMORANDUM

To: Members of the Commission

From: L. A. Minnich, Executive Secretary

Subject: Use of Federal Telecommunications System (FTS) for official long-distance calls to the Commission

In the interests of economy, I suggest that you use the Federal Telecommunications System when calling long-distance to our staff here in Washington. Such calls can be made through the System at no charge to you, and with a saving to the Government (and taxpayers!).

Attached, in alphabetical sequence, is a list of cities and associated commercial telephone numbers of the System.

All you have to do is call, in your city, the number shown in the attached list and give the FTS operator our symbol (23-1906) and one of our numbers, as follows:
