My dear Dr. Garcia:

All of my staff have been talking this morning about the address of welcome you gave yesterday at the Naturalization Ceremony. They were all impressed, as I was, with your sincerity, eloquence and your grasp of the true values of our society. I was so happy that you were able to help and I want you to know that I appreciate your assistance and effort very much. I also appreciate you and all that you have meant to the people of Texas, especially the last, the least and the lost.

We are all proud of you and proud that we can call you our friend.

Sincerely yours,
