Honorable Richard M. Nixon
President of the United States
White House
Washington D.C.

Dear Sir:

I supported you in the past election. I am a native-born Texan, Anglo-American, who first met Dr. Hector Garcia when he assisted me in surgery in Corpus Christi, Texas. I have followed his career with great interest, although I have not personally seen him in eighteen years. During our acquaintance and, subsequently, I personally know that he has maintained a great patriotism, he has been fair not only to Americans of Latin decent but to all persons he could help. As a person who has no personal requests politically from anyone, may I strongly urge his reappointment to the United States Commission. He is not aware that I am writing in his behalf.

With greatest respect,
A loyal citizen and veteran,

James T. Rountree, M.D.
