My dear Dr. :

It is with great pleasure that I send you this note, for various reasons. First of all, allow me to thank you for your generosity, time, and advice which you gave Fr. Joe Lopez and myself during our brief visit to Corpus Christi on the First of September.

Fr. Joe and I were impressed with the interest which you have at heart for the Mexican American, for your untiring struggle to liberate our people. We commented afterwards, that we hope to become perhaps half as sensitive to the needs of our peoples as you are. Also, thank you for the material you gave us regarding the Jose Cisneros' case and other documentation which you gave us. And lastly it is with great pride that I thank you for allowing me to become a member of the GI forum. Not only that, but to be admitted to the forum, by its founder itself. I am very grateful to you, and so is Fr. Joe. By the way, I ment to ask you while we were in your office, to take a look at my throat, because I had a sore throat, but your conversation, and your enthusiasm was so exciting that I forgot about it.

Thanking you once again for your kind consideration, your kind attention, and your enthusiasm, I remain

Sincerely yours in Christ,

Fr. Ralph Ruiz
