Dear Dr. Garcia:

In his letter of July 29 Mr. Gardner informed you of the action taken by the Executive Committee to change the name of the Urban Coalition Action Council to Common Cause, and indicated that the name change would be announced within the next few weeks.

The announcement of the name change and the launching of the membership campaign will be Tuesday, August 18. We are enclosing a copy of the membership letter that is being released to the press and sent to approximately 200,000 persons in the initial mailing.

You will be interested in knowing that we already have received numerous enthusiastic letters about the membership campaign as a result of recent news coverage.

Sincerely,

Lowell Beck  
Executive Director
