Dear Dr. Hector:

Thank you for your letter of July 27, 1971 with the attached material relating to segregation in our public schools.

As you know, I have always opposed segregation, and will continue to do so.

It is my belief that every child in the State is entitled to the same quality education which includes the right to attend a school in a healthy environment.

Please let me know if I can be of further assistance.

Sincerely,

A handwritten signature in cursive script that reads "Oscar H. Mauzy".
