Corpus Christi, Texas 78405

Dear Dr. Garcia:

Thank you very much for your recent letter to me regarding discrimination and inferior education and conditions in Corpus Christi schools. I was particularly interested in reading the report of the investigations conducted by the Texas State Department of Health.

I feel that a situation like the one you discussed in your letter is a matter of great concern. I am therefore contacting the Department of Health, Education, and Welfare, asking them to review this matter. I will be in touch with you again, when that department reports to me.

With kindest regards.

Sincerely yours,

FRED R. HARRIS
