Dear Doctor Garcia:

It was a pleasure to have you, Wanda, Cecelia Adriana, and Susana Patricia visit with us at ARADMAC. I know that this visit was a long time in the making and I am especially pleased that we could get together before I relinquished Command of ARADMAC.

I appreciate you and your family taking the time from your very busy schedule and I sincerely hope that the briefing and tour was enjoyed by everyone. The inclosed photographs will serve as a memento of this occasion.

As a military commander, I have enjoyed an excellent relationship with you and am happy to have had the opportunity to work with you in furthering the principles that you champion. I hope to continue this relationship as a civilian and member of this community. I sincerely appreciate all your efforts and the many kindness you have shown to Neva and myself.

Sincerely yours,
