Dear Dr. Garcia:

Thank you for the material you supplied on school segregation of Mexican American children in Texas and the southwest United States.

I shall read it very carefully and as the busing problem is debated will keep this information in mind.

Mr. Joseph Juarez of Omaha, the National President of the American G I Forum, is on my staff on a part-time basis. I have had many conversations with Joe and know that I can call on him for additional information. Joe is a fine man and I feel very proud to have him on my staff.

Sincerely,

John Y. McCollister
