Dear Dr. Garcia:

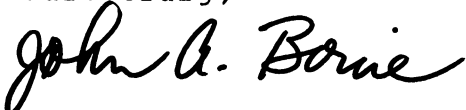

You are a very difficult man to get in touch with. I have been calling for a couple of days, but you always seem to be out. Of course, I realize that you are extremely busy with your practice.

I have been trying to contact you with reference to the GI Forum. We are builders and developers and anticipate doing some work in San Antonio. With reference to Equal Opportunity and Affirmative Action, we would very much like to have the address of the Forum office in San Antonio. We would like to contact someone in that office in hopes that they might be able to help us in this important area.

Incidentally, your name was given to us by Mr. Al Gonzales of Apprentice Outreach, an agency here in Topeka. Mr. Gonzales is quite active in the GI Forum organization, also here in Topeka.

Any information that you could provide would be greatly appreciated. We anticipate hearing from you. Thank you.

Yours truly,

*John A. Bouie
