Re: Mr. Jose Salazar Jr.

In the past Mr. Jose Salazar Jr. has had two previous low back surgeries, including a spinal fusion. Mr. Salazar has been under my care since October 1970 and has been hospitalized on several occasions for severe low back pain. This patient also has a severe emotional instability and has been under the care of a psychiatrist.

It is the opinion of this office that this patient is totally disabled.

Sincerely,

J. W. Kelly, D.O.
