Dear Mr. Garcia:

The National Urban Coalition is planning an Immigration Conference in mid-January. In order to assure a successful Conference, we are seeking the advice of knowledgeable and concerned people regarding:

1. What purpose or purposes the Conference should have;
2. The most useful format to achieve those ends;
3. What subjects should be discussed;
4. Who should be invited;
5. Where should the Conference be held?

We would be very happy to have your ideas on any of the above or any other suggestions you might wish to make.

Thank you.

Sincerely yours,

Richard Baca
Vice President/
General Counsel
