

SOUTH TEXAS LIGHTHOUSE FOR THE BLIND

1907 Leopard Street, Corpus Christi, Texas 78408

January 30, 1974

Dear Dr. Garcia:

It is with a great deal of appreciation that I send you this note of thanks for your helpful contribution of \$15.00

Few gifts, I believe, accomplish more than one which help a person to be self-supporting and independent. Certainly the men and women at the workshop are grateful for their chance.

All on our Board of Directors join me when I tell you how grateful we are.

Sincerely,

Hal P. Byers
