Dear Dr. Garcia,

Now that the dust has begun to settle, I want to personally thank you for the support of G. I. Forum during our recent teacher pay raise dispute. You have never lacked the courage of your convictions and I recognize your sincere moral commitment to the improvement of American public school education.

Our Association is indebted to you for your help when few would come forward and we look forward to future cooperative ventures with your group.

Sincerely,

George Kirk
President
