> RE: Deborah Vasquez D/A: February 11, 1980

Dear Dr. Garcia:

Our law firm represents Deborah Vasquez who was injured on or about February 11, 1980 when a heavy object fell on her left upper arm. Because of Ms. Vasquez' complaints I am wondering if it would be possible for you to refer her to Dr. Lawrence Wilk or a neurosurgeon for further evaluation. In the meantime at such time as you release Ms. Vasquez from treatment please provide me with a final report and a copy of your final bill.

Thank you very much.

Yours truly, Tony Bonilla
