Dear Dr. Garcia:

Thank you for agreeing to appear at the committee's Census Awareness Forum in Corpus Christi this Monday, March 17. The meeting will begin at 10:00 a.m. in the Commissioner's Courtroom at the County Courthouse, 901 Leopard Street.

The main purpose of the meeting is to conduct a public forum on the 1980 Census and the importance of encouraging public participation in the census effort both for reapportionment purposes and to maximize receipt of federal funds to Texas.

A tentative agenda is enclosed. If you need to testify at a particular time, please let us know, and we will try to accomodate your schedule. It would be helpful if you could provide a written outline or copy of your remarks.

We look forward to visiting with you. If you have any questions or comments, please let me know.

Sincerely,

A handwritten signature in dark ink, appearing to read "Tim", written over a horizontal line.
