Dear Dr. Garcia:

At the recent statewide Conference on Solutions to Violence in the Schools I announced that a model student code of conduct would be prepared. This code, which may be adopted by school districts on a voluntary basis, will consist of comprehensive, legally-based, practical rules and guidelines relating to student conduct and discipline.

I would appreciate your assistance in this project by completing the enclosed questionnaire and returning it to me. The questionnaire is designed to elicit your views on a variety of issues relating to student conduct and discipline.

Thank you for your cooperation in this matter.

Yours truly,

Mark White
