Dear Mr Garcia,

It has been over 22 years since I worked for you. It was from 1956 to 1957. I was in my senior year in High School. I remember I was working for you at the time I graduated.

I need a recommendation letter from you, saying I did work for you about a year or so and if you do remember how I performed my duties.

Something I remember at the time you were a major Stock Holder for International Television, and I was in charge of it. And Delbert Hernandez was President of the Junior B.S. Team.

I have an opportunity to get a job at M.D. Anderson Hospital. This Hospital is related to the University of Texas Cancer System Center and they asked me for a recommendation letter from you.

During my life I have continued being a Secretary and have had the opportunity to work for three wonderful Doctors here in Houston, Dr. Eisele from Germany; Dr L. Brown from Canada; and Dr T. Hesono from Japan, They are all in Anesthesiology.

Believe it or not I grew up being a pretty darn Secretary which you did promise me I would be someday.

I will be eternally grateful to you for this favor.

I hope you get to feeling better soon

Truly yours,
Olga Castillo Vasquez
