Dear Dr. Garcia:

The Texas Young Lawyers Association will hold its 51st Annual Meeting on July 2, 1981 in the Grand Ballroom at the Shamrock Hilton Hotel in Houston from noon until 2:30 p.m. Archibald Cox, former Watergate prosecutor and Carl M. Loeb Professor of Law at Harvard University will be the main speaker.

I would like to encourage you to be our guest for this Annual Meeting as we would like to recognize you as a past recipient of the Liberty Bell Award. We will be recognizing the 1981 Liberty Bell Award Recipient at this meeting.

We plan to have a special reserved table for former recipients of this award and would genuinely appreciate your notifying me of your availability to attend this meeting. I look forward to hearing from you.

Sincerely,

*Terry Scarborough*
