Dear Hector:

Thank you so much for the photograph you recently forwarded to me. I have one similar to it, apparently taken at the same occasion but I did not have a print of this one.

I understand that your health continues to improve and I am pleased that you are doing so well after you had such difficulty for over a relatively long period of time.

I am sure that I will be in Corpus Christi for the swearing in ceremony for Hayden Head and I will look forward to visiting with you then. Please give my regards to everyone.

Sincerely yours,

James DeAnda
