Dear Hector:

I have received your strong endorsement of Rafael (Rocky) Carrizo for my nomination to the United States Air Force Academy. I appreciate your taking the time to advise me of your support for Rocky.

He appears to be a fine, outstanding young man, and I feel as you that he would make a good candidate. Over nine hundred young persons have contacted me this year for nomination to the Service Academies, and I assure you the competition is great.

Those I have chosen will be contacted in January informing them of my favorable decision. Rocky is high on that list and your judgement will be a determining factor in my evaluation of his file.

B.A. joins me in wishing you a year of joy and happiness.

Sincerely,

Lloyd Bentsen
