SUBJ: Resignation of Volunteer Service by Dario Ammendola

1. Dr. Ammendola was called to Italy because of pressing family affairs and will not return to work effective June 16th. He expressed to me his warm appreciation for the kindness all of your personnel and others in the hospital with whom he has worked and was most sad to leave us.
2. Your cooperative spirits and the positive approach by your personnel to accomplish any task or mission is highly commendable and I deeply appreciate what all of you do for us.
3. Thank you for making it possible for this young physician to get an exposure to the administrative support systems in an American Hospital.

Thanks for that you do.

Sincerely,

Wheeler B. Lipes
President
