Dear Dr. Garcia:

As a result of the Congressional School for new Congressmen, Solomon Ortiz will not be able to attend the dinner planned originally for December 2.

The date of January 12, 1983, has now been selected for the dinner and please mark your calendars accordingly. We will be in touch with you giving further details well prior to that time.

Sincerely,

A handwritten signature in dark ink, appearing to read "Hayden W. Head". The signature is written in a cursive, flowing style.
