Re: Military Promotion To Major

Dear Dr. Garcia,

I thought I would write a follow-up letter with regard to the letter I wrote in August of 1982. As you recall, I was seeking your assistance in contacting Senator Tower with regard to my non-promotion to Major.

I have not received a reply from the military or the Senator. Can you write or place a call to the Senator's office to resolve this matter one way or another so that I can prepare to take the matter to court. I hope you can help me resolve this matter.

Please inform me if you desire further information. Hope to see you in El Paso, Texas for the annual convention.

Very truly yours,

.....
J. CARRUTH SANDOVAL
