Dear Hector:

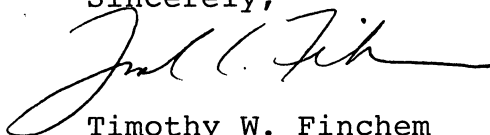

I would like to take this opportunity to thank you for your part in making our National Dinner a great success.

The National Dinner played a major part in putting us over the five million dollar mark for the first half of 1983 and I appreciate your role in this effort.

Please accept the enclosed memento of this evening as a token of our sincere appreciation.

Again, thank you for making this a memorable evening for all of us and especially for our next President, Walter Mondale.

Sincerely,

Timothy W. Finchem
