Dear Dr. Garcia:

This morning I received in the mail the invitation to attend the Founder's Freedom Banquet of your American G I Forum on March 31. Unfortunately, I have long since been committed to be out of town that weekend and I greatly regret that I cannot be with you that evening.

You know the high regard in which I hold you and your accomplishments and I only wish that I could be present for this additional recognition of your great community service.

Sincerely,

HWH:gh
