Dear Dr. Garcia:

Enclosed is something I trust you will want to keep in your portfolio with the many other honors you have received in the past years.

I have always had great admiration for you and what you stand for and I am very proud that you are the recipient of the highest honor that can be bestowed on an American citizen.

You are an inspiration to not just Mexican-American people but to anyone who has dedicated themselves to a worthy cause and that is to make this great Country of ours a better place to live in for all of the people. Please accept this letter on behalf of myself and all of my brothers and sisters.

Sincerely, your friend
