Sir,

As relates to All my personal belongings/Tools/And Clothing, as well as the recent matters: re, the Conservative stance in the World Court, the Hague, refusing to except the World Courts jurisdiction as relates to South/Central/And Latin America, - And said posture as relates to the 1947 Rio Pact, of that area, - we must have a vast conversation.

The matters of the Conservative pushing under the rug, "the Paratroopers Benevolent Association", and the Law Manual on Patients and Prisoners Rights, et seq. (And what was unethical done to me, we should also converse.

Thus,

Please meet me at the Company

Office of Robert (Bob) Kruger for
U.S. Senate at the intersection of
Staples and Ayres (Phone: 888-6141)
I'll be there until they choose at 6:

that location until 7:00 P.M.
