Dear Dr. Garcia,

I want to extend a warm greeting and at the same time express my appreciation for your efforts on my behalf regarding a possible appointment to the Del Mar Board of Regents.

I plan to submit my vitae for consideration. My gut feeling is that they already have someone in mind that they would like to appoint. The old conservative regime has simply been replaced by one not quite so demonstrably conservative.

I am glad, however, that the community has become so incensed and conscious of this issue. Maybe it will help to inspire and educate our citizens as to the value of every single vote. I feel that many of our Hispanic leaders have learned an invaluable lesson on the whole issue of endorsements.

Once again, mil gracias por su apoyo y lo considero un verdadero honor el que usted se haya tomado su tiempo para abogar por mi en este caso. También quiero tomar esta oportunidad para felicitarlo por todos los honores tan merecidos que se le han otorgado recientemente por el Presidente Reagan.

Le saluda un amigo y muy seguro servidor.

Atentamente,
