

TEXAS MEDICAL ASSOCIATION

1984 ALUMNI ASSOCIATION ANNUAL MEETING IN FORT WORTH, TEXAS

... out where the West begins

Dear Fellow Alumni/Alumnae:

Although the annual meeting and reception of The University of Texas Medical Branch Alumni Association is but a scant month away, you still have time and are encouraged to send in your registration for the gala reception scheduled for 7 p.m. Thursday, May 10 in the Grand Crystal Ballroom of the Hyatt Regency Fort Worth, headquarter's hotel for this year's meeting of the Texas Medical Association.

To help guarantee the success of the evening, formal ceremonies will be kept to a minimum but plenty of good food and refreshments have been planned. Among the more formal activities scheduled during the reception is the passing of the president's baton from myself to Dr. James A. Allums, '62 of Beaumont. Other business will be handled at the Officers and Trustees meeting at 10:30 a.m. that morning in the Citizen's Room of the Hyatt, to which you are also invited.

We need to have at least 250 alumni and spouses to meet the guarantee given the hotel. Please mail the enclosed response card to The University of Texas Medical Branch office of alumni affairs. Looking forward to seeing you in Fort Worth—*Out Where The West Begins*—I remain,

Sincerely,

Herbert L. Steinbach, M.D.
President, UTMB Alumni Association
