Dear Dr. Garcia,

Texas

Lyceum ssociation, Inc.

> It was a great honor for the Lyceum to have you serve as a member of the host committee for our weekend meeting in Corpus Christi. Everyone I spoke with felt that this meeting was one of our most successful and all had high praise for the city of Corpus Christi and the warmth of the hospitality that was extended to the Lyceum.

I hope that you found our seminar on Saturday morning interesting and useful and that you will be able to attend other Lyceum events in the future. It would be a great honor to have you.

Thank you very much for your hospitality and warmth and for the honor you paid us by attending our seminar in Corpus Christi.

Sincerely,
