URGENT!

Personal from Ross Perot:

The special session of the Texas Legislature is now underway. To enact crucial school reform legislation, we need your help immediately.

Please:

1. Write to your state senator and state representative.
Their names and addresses are provided at the bottom.
 - o Ask them to enact the entire package of legislation recommended by the Select Committee on Public Education.
 - o Emphasize the importance of having a high-talent appointed board that can effectively manage the schools.
 - o Emphasize the need for adequate funding for every school district.
2. Get at least three friends to write similar letters.
3. Personally visit or telephone your legislators in Austin during the special session, asking them to enact this bill.

Time is short. With you, we cannot fail. Without you, we cannot succeed.

Thanks for your help for the future of Texas.

Note - Your legislators are:
