Dear Dr. Hector:

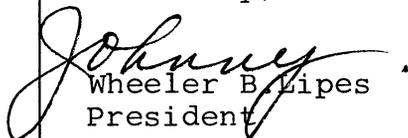

Thank you so very much for attending the Community Leaders Luncheon on Tuesday, June 26th. Your presence gave strength and credence to our objectives and served to reinforce the interest and concern of the others present.

I also thank you for the tremendous support of The American G. I. Forum in the resolution which Mr. Gus Leija and Mr. Campos told me was being considered. I hope the information we sent was what you needed. Just let me know if there is any additional data I may send.

When you are ready to let us display the Medal of Freedom, please let me know and we'll arrange the details and protection.

Most of all, I really appreciate the strong support you give me. The Board of Managers plans for the future will serve to protect the present Memorial Medical Center and assure quality care for the poor and the needy in Nueces County.

Sincerely,

Wheeler B. Lipes
President
