Dear Dr. Garcia,

A recent graduate of Harvard's John F. Kennedy School of Government, I am currently researching the emergence of Hispanics as a political force. In this effort I have been encouraged by my colleague Henry Ramos and by such former activists as Hank Lopez and Carlos McCormick. The end result will be a book published by the University of Notre Dame Press.

I have heard many great things about you and look forward to the opportunity when we can actually meet. Until then I would appreciate your help in identifying the individuals in the enclosed copy of a Viva Kennedy photo. Do you have current addresses for any of them? Also enclosed is a picture of JFK and a Mr. Juan Sanchez of New Work. What role, if any, did he play? Do you have an address for him as well?

Thank you in advance for your kind assistance.

Sincerely,

Kenneth C. Burt
