Dear Dr. Garcia:

I just wanted to get this note of thanks off to you in regard to all the help you provided in making the Corpus Christi rally a huge success. Fritz remarked to me in Minneapolis on Election night that the event in Corpus Christi was the best of his campaign. Despite the loss, he was very upbeat about the participation of the Hispanic community in Southwestern Texas. The rally was an event the Hispanic people can be very proud of, because they made it happen. Your contributions were invaluable to its success.

It is my sincerest hope that when you or your family are ever in Washington you will give me a call.

Again, I am very grateful for your participation and contribution.

Sincerely,

D. Michael Murray
