

CHIEF OF NAVAL AIR TRAINING

23 April 1985

Dear Dr. Garcia,

Congratulations on the great honor of Yale University in establishing a chair in your name. While the action of Yale is no surprise to those of us who know of your achievements, your many friends are undoubtedly pleased that such a prestigious university also recognizes the importance and success of your great work.

I hope you have fully recovered from your recent surgery and have been able to resume your normal schedule.

Best wishes and warmest regards.

Sincerely,

J. S. DISHER
