The Corpus Christi Hispanic Educators Caucus (C.C.H.E.C.) has voted unanimously to bestow its first annual Dr. Hector P. Garcia Special Award for Merit in Education to Mrs. Dalinda Quintanilla. Mrs. Quintanilla is currently employed by the Texas State Teachers Association as a Uniserv Secretary. According to C.C.H.E.C.'s Chairman Willie Perez, "Mrs. Quintanilla has been a very powerful force in the success of our Caucus in our first year of existence. In fact, we consider her as a member of the "educational family" which is continually striving to improve the status of the Hispanic educator and the welfare of the Hispanic child. We are simply saying "Thank You" for her dedication, efficiency, and faith in us."
