Dear Dr. Garcia:

It was a distinct pleasure for you and Gilbert Casares to call on me this morning. I feel extremely honored and proud to accept from such a distinguished citizen the books you so graciously autographed and presented to me as a new arrival in this area. I feel that you have gone out of your way to make me feel welcome here, and I appreciate it.

I am glad to be in a position to offer the Navy's support, when I can, of the goals of the American GI Forum. I look forward to a most cordial relationship with you in the future.

Again, thank you.

Sincerely,

  
E. E. ROGERS II  
Captain, U. S. Navy
