The Honorable Hector P. Garcia, M.D.

Corpus Christi, Texas 78405

Dear Dr. Garcia,

It was certainly an honor to meet a great patriot like yourself last week. As much as any person in Texas, I would very much like to have your support for my race for the Texas Railroad Commission. I can promise you that I will always consider the public interest and I will always seek to make you proud of the support that you may give me.

Any time I can be of service please let me know.

Respectfully yours,

John Sharp
State Senator
