Dear Dr. Garcia:

We are excited that you will be our speaker for our Fall Commencement on Wednesday, December 18, 1985. The ceremony will be held at 7:30 p.m. at the Bayfront Plaza Auditorium. We will have about 300 persons who will be receiving undergraduate and graduate degrees at that time.

Please feel free to speak about any subject which you so desire. I would suggest that you may want to limit your remarks to about 15 minutes.

If there are members of your family and friends whom you would like to receive a special invitation to this commencement, please provide me with a list of those persons. We will have a reception for you and any invited guests following the commencement exercise.

Let me again thank you for your confidence in naming Corpus Christi State University a repository for your papers and archives. I assure you that we will take superb care of this valuable collection. We will also make the Garcia Collection available for research and writing regarding the history and the many accomplishments of the American G. I. Forum.

I will be in contact with you at a later date to make arrangements for your transportation to and from the commencement on December 18th. We look forward to being with you on that evening.

Sincerely,

A handwritten signature in dark ink, appearing to read 'B. Alan Sugg'.
