Dear Dr. Garcia:

This is written to thank you for your willingness to participate in the Leadership Corpus Christi Program on Tuesday evening from 8:00 to 8:45. As you can see by the enclosed program, I have taken the liberty of entitling your remarks "Suggestions for the Improvement of the Corpus Christi Public Schools." Please, however, do not feel restricted by the title. We suggest that you limit your remarks to approximately 20-25 minutes so that a question and answer session can follow.

Your remarks will be preceded by a presentation by Dr. Williams, and you are certainly welcome to be present at that time. We also invite you to have dinner with us at 6:00 p.m. in the San Sebastian room of the Holiday Inn Emerald Beach.

I would appreciate your sending me a vita of yourself in the enclosed envelope for introduction purposes. If you have any questions, please do not hesitate to contact me at 991-6810.

Sincerely,

B. Alan Sugg  
Program Chairman
