Estimado Dr. García

On behalf of our Executive Committee, the faculty and students, I would like to thank you for the stimulating lecture delivered on our campus October 18, 1974. It was indeed a rare privilege for the Center to have you begin our Chicano Issues Series this academic year!

I had hoped to send you copies of the transparencies made from your charts with this letter of thanks. Unfortunately, the copies will not be ready until next week, and I did not want any more time to elapse before writing you.

My personal thanks for your concern and expressed interest in increasing the number of Chicano faculty and students on this campus, and, toward the development of a more viable graduate program in Mexican American Studies. I look forward to our continued contact.

Regards to la Dra. García, Dr. Xico García and Mr. Montalvo who agreed to send me your social security number. I would very much like to have you accept a small honorarium as a token of our appreciation for your visit.

Atentamente. Santos Reyes Acting Director
