Mr. Rudy Flores
Assistant to the Governor
Capitol Building
Austin, Texas 78711

Dear Rudy:

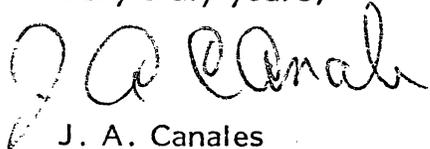

Now that the campaign is over I certainly feel that we must get together with the Governor so that we can discuss problems that the Mexican Americans have in the State of Texas.

In addition, I feel that a luncheon or a dinner ought to be arrange between the Governor, yourself, Dr. Hector Garcia, Dr. Clotilde Garcia, Rudy Garza, and myself at the earliest possible time. I have already discussed this with all the above people and we will meet with the Governor at his convenience. We certainly hope that the meeting can be a relax and enjoyable one.

Please let me have your thoughts on this matter as soon as possible.

The campaign certainly came out better than what we expected in Nueces County and I am sure if you analysis the votes in our county it will show that Raza Unida really took a whipping and that Governor Briscoe did exceptionally well in the Mexican American precincts.

Very truly yours,

J. A. Canales
